

Hello Mrs. Long!

I just wanted to say Thank you so much for giving me this incredibly generous scholarship. I am currently at ~~THE~~ Ohio State University, and I am already in love with the campus. The people are so diverse, compassionate, and optimistic which made me feel instantly at home. I know that OSU was definitely the right university for me because I feel so welcome here. The next 4 years will be challenging but also incredibly exciting. I can't wait to join many clubs and find the extensive amount of opportunities OSU has to offer. So I wanted to let you know how much I appreciate this scholarship, so thank you!

-Sincerely, Armin Munir
